

# Benchmark 2019

## Developing research in central banks

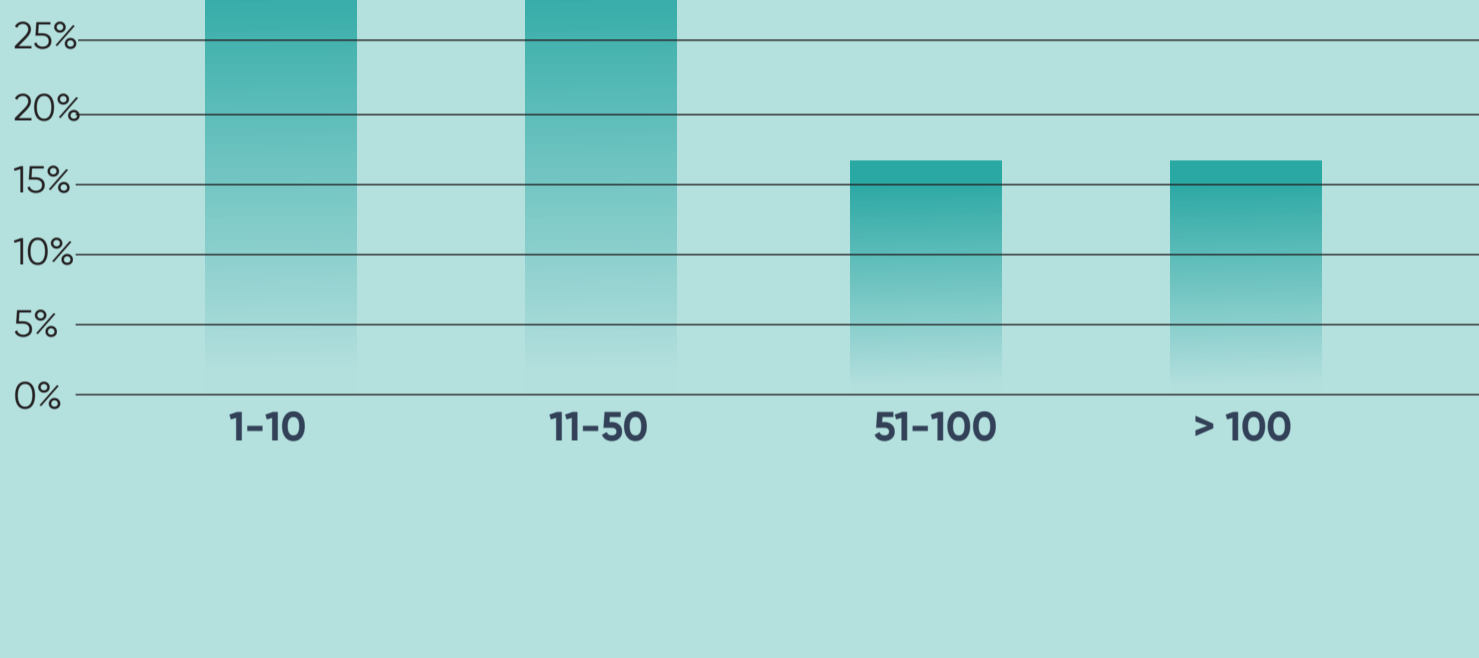

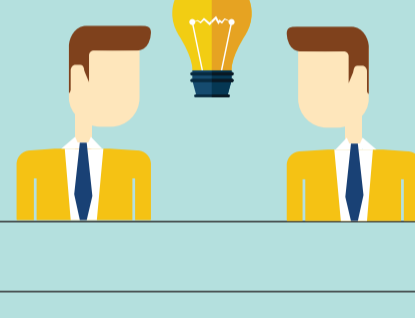

Graphs are based on participants' answers to questionnaires at two Banque de France - IBFI seminars (joint with Global Development Network) on "A Research Agenda for central banks".

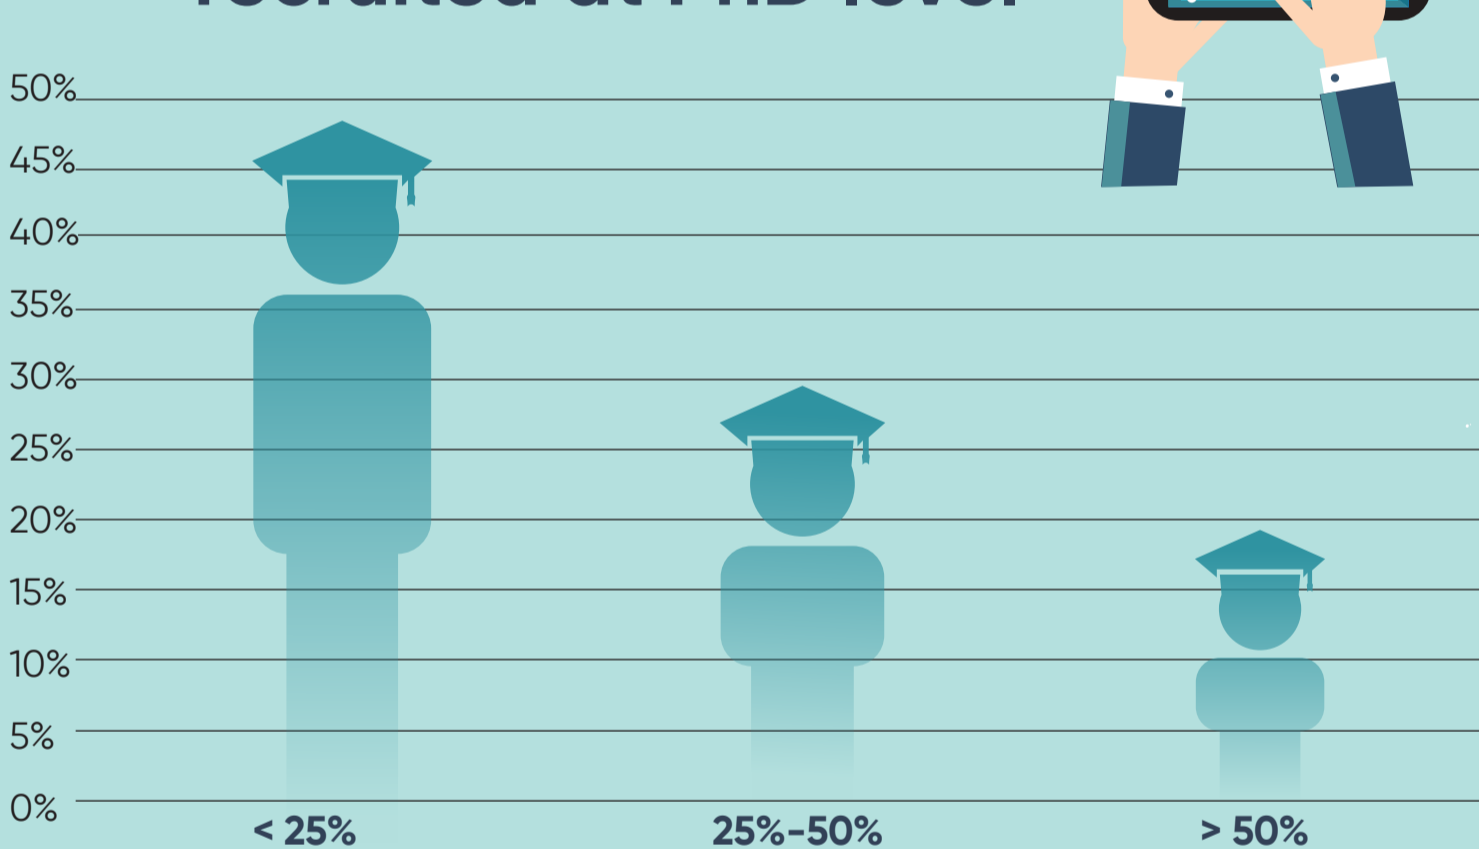

Paris (June 2019 and June 2018 seminars)

### Number of researchers in central bank

### Share of economists recruited at PhD level

### Estimated Use of Research for Policy (score 1-5)

### Main Research domains
