Capital Markets Union:
Towards a closer financial integration and more efficient financing in the EU

November 30th 2021 – Virtual event

The European Union has adopted an action plan whose implementation is entering an important phase. How can we make the CMU action plan a success? In particular, how can we create a Financing Union for Investment and Innovation, which will make best use of European savings?

Programme:

10:00 - 10:15: Introduction

François Villeroy de Galhau, Governor, Banque de France

10:15 - 10:45: Keynote speech:

Mairead McGuinness, European Commissioner for Financial Services, Financial Stability and Capital Markets Union

10:45 - 11:45: Panel: a Financing Union for Investment and Innovation: how can we best use European savings?

President: Sylvie Goulard, Deputy Governor, Banque de France

Delphine d’Amarzit, CEO, Euronext Paris

Maria Demertzis, Deputy Director, Bruegel

Valerie Herzberg, Deputy Director General Financial Stability, Deutsche Bundesbank

Stéphanie Yon-Courtin, Member of the European Parliament
