Marco Buti | EUI

Giancarlo Corsetti | EUI

Giulia Sestieri | Banque de France

The Banque de France (BdF) and the EMU-Lab at the European University Institute (EUI) are launching a joint European workshop that will take place online on February 11, 2025. The topics addressed in this workshop include the governance of domestic and foreign investment, and the economic implications of income (risk) inequality for cross-border insurance and investment.

The EMU Lab at the EUI is promoted by the Tommaso Padoa Schioppa Chair and the Pierre Werner Chair.

Draft program
